

# **The Italian Parliament: between Intervention and Neutrality**

**Carmen TRIMARCHI\***

**Abstract:** *That which began in December of 1914 and ended in March of 1915 was a very interesting moment in the history of the Italian parliament and nation. In order to understand what happened afterward, this paper analyses what happened during that period, to examine the acts and tendencies of both politicians and political parties, and to consider the reasons behind the decisions that were made.*

**Keywords:** *Parliament, war, Italy, neutrality, intervention*
