

War and Post-war Questions in Some Parliamentary Speeches of Prime Minister Vittorio Emanuele Orlando

Vittoria CALABRÒ*

Abstract: *The article focuses on some parliamentary speeches delivered by Prime Minister Vittorio Emanuele Orlando who found himself facing problems related to the management of the war and the delicate questions connected to the end of war, between 1917 and 1919. This article also analyses the actions of the Prime Minister during the same period.*

Keywords: *Parliamentary speeches, Italian Prime Minister, First World War, war and post-war questions*
