You think you know it,
but do you really know I.T. ?

Trainer: Vali G. Badea, Co-Founder & CEO Scriptics
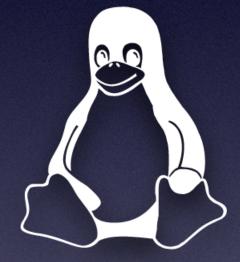

GIT & GITLAB Automation Case Study

- Git basics

- More funky stuff

- Gitlab case study

Docker

- What is it

- How to use it

- Real life example

Linux (beyond basics)

- Can you drive it?

- Virtualisation vs Containerisation

- Linux Distributions

Monitoring Systems

- Nagios Core / Nagiox XI

- Zabbix

- Prometheus
